**POLITICAL, ECONOMIC, EDUCATIONAL, RECONSTRUCTION SYSTEMS.**

## **COMMITMENT CARD**

***“The First Step to Change is Just to Decide to Do It.”***

*Because I want to be a decent person and because I see so many negative characteristics of our culture that can be alleviated or changed such as bullying, cowardice, poverty, domestic violence, crime, substance abuse, profanity, illiteracy, apathy, bigotry and worry, just to name a few, I commit to become a PEER. As a PEER I will immediately began striving to live according to the following agreement:*

### **P.E.E.R.S.’ PLEDGE**

I, \_\_\_\_\_ pledge to:

- 1.** Practice, teach and promote the “GOLDEN RULE” – “Do unto others as you would have others do unto you.” I will not speak to or treat others in any way that I would not want to be spoken to or treated. Think and be honest about the changes you must make to fulfill this pledge.
- 2.** Join the Movement towards Respect, Responsibility and Reconciliation. Have Respect for and Reconciliation with GOD, self, others and the rest of GOD’s creation. Being Responsible means to take control and charge of what belongs to you, i.e., your belief system, thoughts, language, choices, your time, family, community, rights and responsibilities. To fulfill this pledge, we must come to ourselves like the prodigal son.
- 3.** Gain and develop a greater sense and understanding of Dependency on GOD; of Family and of Community. Understand what it means and commit to be GOD fearing and trusting in the Lord with all your heart. Learn how, commit and work to connect the different generations in your family. Get involved, organize and volunteer to help worthwhile community efforts and causes. Decide what you value.
- 4.** Help build accountability in our political, economic and educational systems by studying, understanding and working on the Goals of P.E.E.R.S. Accountability is the glue that makes systems work. Commit to VOTING in every election.
